

April 15, 2013

Dear Provider:

Avesis Third Party Administrators, Inc. is pleased to announce our new partnership with Molina Healthcare of Illinois, Inc. ("Molina"). Effective July 1, 2013, Avesis will be administering the dental benefits for members enrolled in the Molina Medicaid program.

Avesis Third Party Administrators, Inc. is a wholly owned subsidiary of Avesis Incorporated, a national dental, vision, and hearing company in business since 1978. Avesis' administration of dental benefits for these members will also include provider contracting and credentialing; provider services; utilization review; and claims processing and payment.

Avesis would like to extend an invitation to you to join our network to provide services to these members as a contracted provider. If you have previously completed a CAQH application, please complete and return the enclosed CAQH Data Form and W-9 (watermark shows "1"). Please fax to us at: (866) 673-2455, along with the completed first and signed signature pages of the enclosed agreement and amendment. Please be certain that the CAQH information is current, has been re-attested to within the last ninety (90) days and contains current information with regard to offices and credentials as well as current credentialing documents. Please be certain that you have selected GLOBAL or Avesis Third Party Administrators to receive your materials.

If you have not previously completed a CAQH application and desire to do so, please complete the enclosed form (watermark: "2") and fax back to Avesis at: (866) 673-2455, along with the completed first and signed signature pages of the enclosed agreement and amendment. We will submit the information to CAQH and contact you with the CAQH-assigned number. The website address for completing the CAQH application is on the enclosed form.

If you prefer to print and complete the application, you can obtain it on the Avesis website at www.avesis.com. Once completed and signed, please mail it back to Avesis along with your current credentials, the W-9, signed agreement and amendment to:
