Practice and Participating Provider(s) agree to comply with the policies and procedures set forth in the Provider Manual, as it may be revised by Avesis from time to time. The Provider Manual is incorporated herein by reference and the terms of this Agreement shall control the interpretation of the Provider Manual. Practice and Participating Provider(s) further agree to keep the Provider Manual and all information in it confidential; and not to copy or disclose such information to third parties except as required for the conduct of Practice and/or Participating Provider's business.

D. RESPONSIBILITIES OF PARTICIPATING PROVIDER.

1. **Eligibility Verification.** Practice or Participating Provider shall verify Members’ eligibility to receive Covered Services under his or her Sponsor’s Plan by contacting Avesis by telephone or other mechanisms as set forth herein. It is specifically understood that neither Avesis nor the Sponsor will reimburse Practice for services rendered by Participating Provider to any individual unless such individual is eligible for the services on the date the services are rendered.
(2) **Professional Services.** Participating Provider shall furnish Covered Services to Members as provided on the Exhibit attached hereto and made a part hereof by reference. Practice and Participating Provider(s) agree that services will be provided to Members in a timely manner and on the same basis as other patients including but not limited to: pre-operative exams, surgery, post-operative services and re-treatments. Members shall not be kept waiting longer than one (1) hour after the appointment time. Participating Provider shall use his/her best efforts to assure that all pre-operative examinations are performed within thirty (30) days of a Member’s initial request but in no event shall it be longer than forty-five (45) days. In the case of emergencies Practice shall ensure that every reasonable effort is made to see the Member immediately. Practice and Participating Provider shall make every reasonable effort to satisfy the needs of Members. All services rendered by Practice and/or Participating Provider under this Agreement shall be furnished in accordance with the Participating Provider’s best professional judgment and in compliance with applicable laws, rules and regulations of the licensing or other governmental bodies having jurisdiction as well as the guidelines as set forth by the appropriate national association(s).

(3) **Payment from Members.** Practice agrees to accept as payment in full only the fees for services provided on the attached Exhibit and incorporated herein by reference. Neither the Practice nor the Participating Provider(s) may collect any payment from Members other than those designated herein as being the responsibility of Members, such as deductibles, co-payments, and charges for additional services not representing a Covered Service or as specified herein.

(4) **Records.** Practice and Participating Provider shall maintain confidential and complete Member medical records and personal information as required by applicable State and Federal laws and regulations or ten (10) years whichever is longer. Confidentiality of patient records and personal information shall be maintained in accordance with all State and Federal laws and regulations in force as of the Effective Date of this Agreement and those that may be enacted in the future. The types of records to be maintained shall be in accordance with industry and plan standards.

(5) **Records Access.** Practice and/or Participating Provider agree to provide Avesis, its agents or representatives, access to billing and medical records of Members who have been serviced by Participating Provider. Notwithstanding termination of this Agreement, this right of access to Member records shall continue for three (3) years after termination of this Agreement, to the extent permitted by law. Practice further agrees to make copies of such records available to the Sponsor, Department of Insurance and/or appropriate government authority in conjunction with its regulation of Sponsor.

(6) **Confidentiality of Records.** Confidentiality of Member records and personal information shall be maintained in accordance with all State and Federal laws and regulations in force as of the Effective Date of this Agreement and those that may be enacted in the future. Neither Practice nor Participating Provider shall use any information received in the course of providing services to Avesis’ Members except as necessary for the proper discharge of his obligations hereunder. Participating Provider agrees to comply with all of the Federal requirements for privacy and security of health information.
(7) **Compliance with Law, Policies and Procedures and Provider Manual.** Participating Provider shall, at all times, conduct his professional practice and supervise all personnel in a manner that complies with all applicable laws, regulations, Policies and Procedures of Avesis as set forth in the Provider Manual, as amended from time to time, and Policies and Procedures of the Sponsor(s), as applicable. Practice and Participating Provider shall maintain in good standing and keep current all of the permits, certificates and licenses required by all applicable State and government laws and regulations in order to provide Covered Services under this Agreement. In the event of any complaint or disciplinary or administrative action against Practice or Participating Provider, regardless of whether such complaint or disciplinary action is based on services provided under this Agreement, Practice and/or Participating Provider shall notify Avesis of the complaint or disciplinary action within two (2) business days of Participating Provider’s receipt of notice of such action or complaint. Participating Provider hereby authorizes any governmental agency to release to Avesis information relating to any such complaint or disciplinary action.

(8) **Credentialing Program.** Participating Provider agrees to meet and maintain NCQA and/or established industry standards for provider credentialing adopted by the Avesis Credentialing Program as well as any other requirements that may be imposed by the Sponsor, from time to time. These include, but are not limited to, current licensure; current Board certifications, as appropriate; professional liability insurance coverage; compliance with continuing education requirements; and such other requirements and qualifications as may be required by Avesis, Sponsor or any State or Federal agency. Failure to cooperate with the credentialing or recredentialing process may result in payment for services rendered being withheld until all recredentialing materials have been received by Avesis. Participating Provider further agrees to notify Avesis of subsequent changes in status of any information relating to Participating Provider’s professional credentials.

None of Avesis’ or Sponsor’s utilization management, quality management, credentials verification or provider sanction programs shall either a) override the professional or ethical responsibility of the provider or b) interfere with the provider’s ability to provide information or assistance to members.

(9) **Cooperation with Member Grievances.** Participating Provider agrees to cooperate with Avesis in whatever way necessary to resolve Member grievances that may come about from time to time.

(10) **Personnel and Office Address.** Practice shall provide Avesis with a complete list of all Participating Providers and/or associates bound by this Agreement. Practice shall notify Avesis within thirty (30) days of any relocation of his business, change in area code or telephone number or any change in the Participating Providers or associates. If Practice utilizes independent contractors as Participating Providers, the Practice must have the independent contractor(s) execute a separate Provider Agreement before providing any Covered Services under this Agreement. Practice and Participating Provider(s) agree to the inclusion of the practice’s location and contact information in provider directories and/or on the Avesis website or the Plan Sponsor’s website. Practice and Participating Provider(s) further agree to permit practice location and contact information to be given to Members by Avesis’ or Sponsor’s customer service representatives.

(11) **Quality Improvement.** Practice and Participating Provider(s) agree to respond and / or comply with Avesis’ Quality Improvement Program as it relates to quality assurance, utilization review and Member grievance program as explained in the Provider Manual.

(12) **Submission of Claims.** Practice or Participating Provider shall submit Claims to Avesis in a timely manner. Practice and Participating Provider understand that failure to submit Clean
Claims or requested documentation within the specified time period as outlined in the Provider Manual may result in loss of reimbursement for services provided.

(13) **Locum Tenens.** A Provider may submit a claim and receive payment for Covered Services for a Locum Tenens Provider provided that the Provider notifies Avesis in writing prior to the Locum Tenens provider’s servicing of the members. The Locum Tenens provider may not be an employee of the Provider and whose services for Members of the Provider are not restricted to the Provider’s offices if: 1) the Provider is unavailable to provide the Covered Services; 2) the Member has arranged or seeks to receive the Covered Services from their Provider; 3) the Provider may pay the Locum Tenens for his/her servicers on a per diem basis or similar fee for time basis; 4) the Locum Tenens provider does not provide the Covered Services to Members for a period of time not to exceed sixty (60) continuous days within a twelve (12) month period. The Locum Tenens provider shall be an appropriately qualified and licensed eye care professional in the State wherein he/she is practicing and have a valid NPI number. It is the responsibility of the Provider to notify Avesis in writing of any Locum Tenens arrangement.

**E. RELATIONSHIP OF PARTIES.**

1. **Professional Judgment.** Participating Provider shall have the sole right and responsibility for exercising his professional judgment on all matters of professional practice. Practice and Participating Provider(s) agree, however, to participate in the Avesis utilization review programs and to abide by the resulting conclusions of those programs. Failure to abide by the utilization review program’s conclusions shall be considered a breach of this Agreement.

2. **Independent Contractor.** Practice and Participating Provider(s) are and shall be an independent contractor, and nothing herein shall be construed to create an agency, employment, partnership, joint venture or fiduciary relationship between Avesis, Practice and Participating Provider(s).

3. **Non-Exclusive Relationship.** Practice’s and Participating Provider's rights hereunder are non-exclusive. Practice and Participating Provider may provide services to non-Avesis patients, and enter into agreements with other networks and organizations for such purposes.

4. **Rights Reserved by Avesis.** Avesis retains all ownership rights in the Avesis networks and system, the sole and exclusive right to operate offices or license other providers to participate in the Avesis system, and exclusive rights in and to the names and marks AVESIS®, together with any and all other trademarks and service marks that may hereafter be adopted or used by Avesis. Participating Provider shall not advertise or use any names, symbols, trademarks or service marks of Avesis in any advertising or public communication without the prior written authorization of Avesis.

**F. INDEMNIFICATION.**

Neither Avesis nor any Sponsor, their officers, shareholders, directors, employees, agents, successors or assigns (“Indemnified Party”) shall be responsible for or guarantee the quality of any services furnished by Participating Provider on behalf of Practice. Participating Provider agrees to indemnify and hold Avesis, its officers, directors, employees and agents from and against any claim, damage, loss (including any amounts paid in compromise or settlement of disputed claims), expenses, liability, obligation, action or cause of action, including reasonable attorneys’ fees and all costs of investigation (collectively the “Indemnified Claims”), which the Indemnified Party may sustain pay, suffer incur by reason of any service provided by Participating Provider to any Member. Attorneys’ fees shall include not only those fees incurred in connection with investigating and defending the Indemnified Claims but also all attorneys’ fees incurred by Avesis in prosecuting, enforcing and collecting this indemnity. The Indemnified Party is not responsible for nor does the Indemnified Party guarantee the quality of any services furnished by Participating Provider. Participating Provider shall indemnify Avesis and all
Sponsors from all claims, liabilities and damages incurred in connection with, or arising out of, Participating Provider's material breach of this Agreement or any Covered Services furnished, or to be furnished, by Participating Provider to Members. The obligations of indemnification shall survive the termination of the Agreement.

It is further understood and agreed to by Practice and Participating Provider(s) that in no event, including but not limited to non-payment by Avesis or Sponsor, insolvency of Avesis or Sponsor or breach of this Agreement, shall Practice or Participating Provider bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from or have any recourse against a Member or a person acting on a Member’s behalf for Covered Services provided pursuant to this Agreement. This provision shall not prohibit Practice or Participating Provider(s) from collecting copayments, deductibles and/or coinsurance made in accordance with the terms of the Plan Sheets or for collection for non-covered services either from the Member or from third parties when such parties are primarily responsible for paying for these services. It is further understood that this provision shall survive the termination of this Agreement regardless of the cause giving rise to termination and shall be construed to be for the benefit of the Member and that this provision supersedes any oral or written contrary agreement now existing or thereafter entered into between Avesis, Practice and/or Participating Providers and Member or persons on their behalf.

G. CLAIMS AND PAYMENT.

(1) Claims Processing. If the Sponsor's program includes the payment of claims for Covered Services provided to its Members, and if the Sponsor retains Avesis as its claims administrator, then Practice on behalf of Participating Provider(s) shall submit claims to Avesis in the manner described in Section A.5 herein in order to receive payment for Covered Services. Practice or Participating Provider shall, to the extent possible, seek and accept from Members their assignments of payments for claims for Covered Services. Practice on behalf of Participating Provider shall submit claims in the manner provided in the Provider Manual, together with all reasonably requested additional documentation, no later than ninety (90) days or as specified by state or federal regulatory agencies, after providing the Covered Services. Avesis shall pay or deny all Clean Claims received within thirty (30) days of receipt or faster, in accordance with prompt pay rules for claims from states having prompt pay regulations. Avesis shall provide prompt payment of Clean Claims in accordance with the terms of the Sponsor's Plan Sheet, for properly filed Clean Claims for Covered Services provided to Members by Participating Provider, but only from designated funds provided to Avesis by the Sponsor specifically for that purpose.

(2) Limitation of Liability. Avesis shall not be obligated to make capitation payments or pay Practice or Participating Provider(s) for services furnished to Members from Avesis’ own funds.

(3) Program Coverage. For Covered Services requiring prior authorization as required herein, Practice or Participating Provider(s) agrees to submit the prior authorization request prior to providing the Covered Services, whenever possible. Practice and Participating Provider(s) acknowledge that possession of an identification card does not guarantee that an individual is still a Member on the date services are rendered, or that a Member is necessarily covered for any or all services to be provided.

(4) Non-covered Services. Practice on behalf of Participating Provider(s) shall enter into written agreement with Member to pay for non-covered services if the Member knowingly elects to receive non-covered services and the fees charged do not exceed the usual fees payable to Practice.

(5) Coordination of Benefits. Practice will notify Avesis when it is determined that a Member may be entitled to coverage under any other Sponsor Plan. If the Member would be considered primary under Avesis’ Sponsor Plan, Practice agrees that Avesis’ obligation to Practice and/or Participating Provider will not exceed the compensation described in the Covered Services and
Fee Schedule. If the Member would be secondary under the Avesis Sponsor Plan, Practice and/or Participating Provider(s) agree that Avesis’ obligation to Practice will not exceed the compensation described in the Covered Services and Fee Schedule and Practice will refund the aggregate compensation that Practice received from other Sponsor for services or goods in question.

(6) **Missed Appointments.** Practice and/or Participating Provider shall not bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from or have recourse against any Member or person acting on behalf of a Member for a missed appointment.

(7) **Use of Provider Number(s).** Practice shall only submit claims for eye med/surgical care services using the provider number assigned by Avesis to Practice and/or Participating Provider. Provider numbers shall not be provided to Participating Provider until the credentialing process has been successfully completed. Practice shall only submit claims under the provider number assigned for services personally performed by Participating Provider. Neither Practice nor Participating Provider may loan or otherwise allow any person or entity to bill claims under his provider number.

**H. REPRESENTATIONS, WARRANTIES AND COVENANTS OF PARTICIPATING PROVIDER.**

Except as otherwise disclosed to Avesis in writing prior to execution of this Agreement, Practice and/or Participating Provider hereby warrant that the representations, warranties and covenants set forth below in this Section H are true and accurate as of the date of this Agreement, and that they shall remain true and accurate at all times throughout the Term of this Agreement. Both Practice and Participating Provider acknowledge that the accuracy and fulfillment of these representations, warranties and covenants are a condition of initial and continued survival of this Agreement:

(1) **Authorization.** The individual executing this Agreement on behalf of Practice is duly authorized to do so; and upon its execution, this Agreement shall constitute the legal, valid and binding obligation of Practice and Participating Provider(s).

(2) **No Inducements.** Except as otherwise specifically set forth herein, no promises or guarantees of specific payment or volume or value of referrals have been made to Practice or Participating Provider(s) as an inducement to reduce, delay or limit specific, medically necessary services covered by the Sponsor’s vision benefit plan(s) or by any person representing either party to induce Participating Provider to execute this Agreement. Practice and Participating Provider(s) agree that neither the Practice nor the Participating Provider shall not profit from provision of covered services that are not medically necessary or appropriate.

(3) **Review.** Participating Provider and any partners or shareholders, if applicable, have read the entire Agreement and represent that each of them is capable of complying and will comply with it.

(4) Participating Provider is duly licensed, registered and in good standing and shall maintain such licensure throughout the Term to practice medicine in the state(s) where he provides services under this Agreement and such license and registration is not restricted, conditioned or limited in any way.

(5) Except as otherwise set forth by Participating Provider during the Credentialing process, Participating Provider’s license to practice medicine in any state has never been suspended, limited, conditioned, revoked or voluntarily relinquished under the threat of disciplinary action;

(6) Except as otherwise set forth by Participating Provider during the Credentialing process, Participating Provider has never been reprimanded, sanctioned or disciplined by a licensing board or state or local professional society or specialty board;
(7) Except as otherwise set forth by Participating Provider during the Credentialing process, there has never been entered against Participating Provider a claim, final judgment or agreed settlement in a malpractice action;

(8) Participating Provider has no obligation to others that is inconsistent with Participating Provider’s obligations under this Agreement and the undertaking of this Agreement by Participating Provider and Practice will not constitute a breach of any other agreement to which Participating Provider is a party or any obligation to which Participating Provider is bound;

(9) Except as otherwise set forth by Participating Provider during the Credentialing process, Participating Provider is currently not, and has not in the past been, the subject of any investigation for suspected healthcare fraud or abuse or violation of any other state or federal law, nor has Participating Provider’s Medicare or Medicaid provider status been limited, conditioned, revoked, or suspended for any reason;

(10) Participating Provider shall at all times render services to Members of Avesis in a competent, professional, and ethical manner, in accordance with prevailing standards of professional care and practice, and all applicable statutes, regulations, rules, orders, and directives of any and all applicable governmental and regulatory bodies having competent jurisdiction;

(11) Participating Provider shall complete and maintain, in a timely manner, adequate, legible and proper Member records, claims and correspondence with respect to all services rendered to Members of Avesis;

(12) Participating Provider represents and warrants that he is not now under any obligation to any person or entity nor does he have any other interest which is inconsistent with or in conflict with this Agreement or in conflict with any other agreement which would prevent, limit or impair, in any way, his performance of any of the covenants or duties herein.

I. INSURANCE.

While this Agreement is in effect, Participating Provider shall keep in force all professional liability insurance coverage required by state and/or federal law. If the state does not require specific limits, Participating Provider agrees to maintain professional liability insurance of One Million Dollars ($1,000,000) per claim and THREE MILLION DOLLARS ($3,000,000) annual aggregate, or such other amounts as may be recommended by the State licensing board. Such insurance shall cover, at a minimum, each location where Participating Provider provides Eye Care and/or Vision Corrective Services under this Agreement. Practice and/or Participating Provider also agree to maintain comprehensive general liability insurance and/or such other available insurance as shall be necessary to insure Practice, Participating Provider(s) and its employees against and from any and all damages arising from its duties and obligations under this Agreement. Proof of such insurance shall be made available to Avesis within two (2) business days of its request. The costs of securing said insurance coverages shall be borne by the Practice or Participating Provider. Insurance carried by Practice and/or Participating Provider will not relieve Practice and/or Participating Provider from the indemnity obligations in Section F. Practice and/or Participating Provider shall notify Avesis or Sponsor at least thirty (30) days prior to the cancellation or termination of any such policy. Practice and/or Participating Provider shall notify Avesis immediately upon the termination of any such policy.

J. ASSIGNMENT.

Neither this Agreement nor any of the rights or obligations hereunder shall be assigned, transferred or delegated by Participating Provider, by operation of law or otherwise, without the prior written consent of Avesis. Any change of ownership interest in Participating Provider shall be deemed an assignment of the Agreement, and requires the prior written consent of Avesis. Avesis may assign its rights and obligations hereunder.
K. TERMINATION AND SUSPENSION.

(1) Termination without Cause. This Agreement may be terminated by either party, at any time by giving not less than ninety (90) calendar days prior written notice to the other party. It is understood that during any such ninety (90) day period, the terms and conditions of this Agreement shall remain in force and effect with the exception of Section C(3).

(2) Termination for Cause. Avesis may terminate this Agreement immediately by providing written notice to Practice in the event Practice and/or Participating Provider:

(a) breaches a term of this Agreement or the Provider Manual, including without limitation, the Representations and Warranties or Responsibilities defined herein; or

(b) poses an imminent danger to Avesis Members or the public health, safety and welfare; or

(c) is charged with a felony or a crime of moral turpitude; or

(d) fails to satisfy the credentialing or recredentialing program requirements; or

(e) ceases participating in Avesis network(s) through non-renewal of credentialing through the credentialing process or denial of approval for participation.

(3) Either party may terminate this Agreement for a material default by the other party if the default is not cured within thirty (30) calendar days after the defaulting party is given written notice specifying the default. Termination of this Agreement does not nullify Practice and/or Participating Provider's responsibility for the adequacy of service provided to Members.

(4) Effect of Termination. Under no circumstances will reimbursement be made by Avesis for any services rendered after the termination of this Agreement unless required by the applicable state law provisions regarding continued coverage of services for Members. Any due process or appeal rights of Practice or Participating Provider shall be governed by the provisions defined in the Provider Manual, incorporated herein by reference, unless superseded by conflicting and governing state law.

(5) Definitions.

(a) “Termination” shall mean any termination of this Agreement for any reason stated under this Section K. (2).

(b) “Termination Date” shall mean the effective date of Termination as provided in this Section K.

(6) Suspension. Avesis may, in its sole and absolute discretion, suspend Participating Provider's participation as an Avesis Provider if any of the following were to occur:

(a) Upon claims or utilization review by Avesis, billing or claims submission issues occur with such frequency that Avesis, in its sole and absolute discretion, determines that Practice or Participating Provider should be suspended pending further investigation by Avesis and such billing and claims issues are resolved.

(b) Breach of this Agreement by Practice and/or Participating Provider for which Avesis elects, in its sole and absolute discretion, to suspend Participating Provider until such problem or problems that caused the breach of this Agreement have been cured.

L. PROCEDURES AFTER TERMINATION.

Upon termination of this Agreement for any reason:

(1) Cease Affiliation. Practice and Participating Provider shall cease to be an authorized Avesis Provider and shall:
(a) immediately and forever cease and desist from using Avesis advertising and promotional materials, and all trade secrets and confidential material delivered to Practice and Participating Provider pursuant to this Agreement; and

(b) refrain from doing anything which would indicate that Practice or Participating Provider is an authorized Avesis provider.

(2) **Non-Solicitation.** Practice and Participating Provider agree that it shall not keep any list of Members and shall not, directly or indirectly, solicit them to remain patients of Practice and/or Participating Provider. Practice and Participating Provider hereby acknowledge that solicitation of Members after the termination of this Agreement would be damaging to Avesis and its Sponsors and other providers. Practice and Participating Provider specifically acknowledge receipt of good and valuable consideration sufficient to support this provision of the Agreement.

(3) Practice and Participating Provider further agree to comply with Sponsor’s transition of administrative duties and records in the event of the termination of this Agreement or insolvency of Sponsor or Avesis.

M. **SPECIAL REMEDIES.**

Practice and Participating Provider acknowledge that if Practice or Participating Provider breaches any of the provisions of Sections C (5), E, I, or L, Avesis shall have incomplete and inadequate remedies at law. Therefore, Participating Provider expressly consents and agrees that Avesis may, in addition to any other available remedies, obtain an injunction and/or temporary restraining order to terminate or prevent the continuation of any such violation.

N. **NOTICES.**

All notices provided for in this Agreement, including changes in the amounts paid to Practice and/or Participating Provider shall be in writing at least thirty (30) calendar days prior to the effective date of the notice and sent to the address provided on the signature page of this Agreement. All notices provided for in this Agreement shall be in writing and sent to the address provided on the signature page of this Agreement. Notices shall be deemed to have been duly given upon (a) actual delivery; (b) five days after deposit for mailing by registered or certified mail, postage prepaid, return receipt requested, addressed to the other party at the address shown at the end of this Agreement; (c) one business day after delivery to a commercial overnight delivery service addressed as provided above for delivery the next business day; or (d) facsimile transmission. Either party may change its address by written notice to the other party.

O. **GENERAL PROVISIONS.**

(1) **Interpretation.** This Agreement contains the entire understanding between the parties with respect to the subjects hereof, and supersedes all prior negotiations and agreements. Except as otherwise expressly provided herein, this Agreement may be amended only by written instrument and signed by the parties. The waiver of any breach of this Agreement shall not be deemed to amend this Agreement and shall not constitute a waiver of any other or subsequent breach. Headings are for convenience and shall not affect interpretation. Words in this Agreement shall be deemed to refer to whatever number or gender the context requires. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their permitted successors and assigns. No right or remedy shall be exclusive of any other right or remedy herein or provided by law, but such rights and remedies shall be cumulative and enforceable simultaneously or sequentially.

(2) **Severability.** If any provision of this Agreement shall be declared invalid or unenforceable, that provision shall be deemed modified to the extent necessary to make it valid and enforceable. If it cannot be so modified, then severed, and the modified or remaining provisions shall remain in full force and effect.
(3) **Choice of Law.** This Agreement and all questions relating to its validity, interpretation, performance and enforcement, shall be governed by and construed, interpreted and enforced in accordance with the laws in the state wherein it has been executed by Practice.

(4) **Disputes.** Except as may otherwise be provided for herein, any and all disputes arising out of or relating to this Agreement and the transactions contemplated herein, shall be solely and finally settled by binding arbitration and administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules (the “Rules”), by a single arbitrator selected in accordance with the Rules (the “Arbitrator”). The Arbitrator shall not have been employed by or affiliated with any of the parties or their affiliates. Except as set forth below, the parties hereby renounce all recourse to litigation as to matters subject to arbitration hereunder, and the parties agree that the award of the Arbitrator shall be final and subject to no judicial review, except as expressly provided by applicable law. The Arbitrator shall decide the issues submitted to him in accordance with: (a) the provisions and purposes of this Agreement; and (b) the laws in the State wherein this Agreement has been executed by Practice (without regard to its conflicts of laws rules), and shall issue a written award setting forth the reasons for his decision. Judgment on the award of the Arbitrator may be entered in any court having jurisdiction thereof. Notwithstanding the foregoing, each party shall have the right to seek injunctive or other equitable relief in any court of competent jurisdiction to enforce the provisions of this Agreement without first seeking or obtaining any decision of the Arbitrator with respect to the subject matter of this Agreement, even if a similar or related matter has already been referred to arbitration in accordance with the terms of this paragraph.

(5) **Attorneys’ Fees.** Should Avesis incur attorneys’ fees in order to enforce the terms and conditions of this Agreement, including post-term covenants, whether or not a legal action is instituted, Avesis shall be entitled to reimbursement of such attorneys’ fees and costs, in addition to any other remedies Avesis may have at law or in equity.

(6) **Non-Discrimination.** Neither Practice nor Participating Provider shall differentiate or discriminate in the treatment of Members on the basis of race, color, national origin, gender, age, religion, marital status, health status or health insurance coverage. Avesis shall not discriminate in its credentialing or recredentialing process against a provider based upon race, color, creed, religious affiliation, marital status, sexual orientation, disability status or any other basis including the provider’s practice being substantially comprised of patients requiring expensive or uncompensated care.

(7) **Program Compliance.** Practice and Participating Provider agree to comply fully with Avesis and Sponsor regarding (a) benefit exclusions; (b) administrative and utilization management requirements; (c) credential/recredential verification program; (d) quality assessment program; and (e) provider sanction policies. Avesis agrees to notify Practice of any changes to the above mentioned programs and agrees to allow Practice a mutually agreed upon time frame to comply with such changes.

(8) **Outcome Reporting.** Participating Provider shall submit certain outcome data relating to the provision of Covered Services to Members so that Avesis may provide the required reports to Plan Sponsors and/or evaluate Member satisfaction. The composition of said outcome reporting shall be as described in the Provider Manual or Exhibits hereto and shall be provided on a frequency to be determined by Avesis, Plan Sponsor(s) and, if applicable, CMS.

Any complications relating to Medical/Surgical Services shall be reported to Avesis by Participating Provider within forty-eight (48) hours of Participating Provider’s receipt of said information. Participating Provider shall develop a course of treatment appropriate for each particular case and provide additional Outcome Data one (1) month following any re-treatment.
(9) **Entire Agreement.** This Agreement, together with the Provider Manual and any Exhibits referred to herein, constitute the entire Agreement between Participating Provider and Avesis. This Agreement supersedes all prior and contemporaneous agreements, understandings and conditions, express or implied, oral or written, of any nature whatsoever with respect to the subject matter hereof. This Agreement may not be modified or amended other than by an agreement in writing.

(10) **Exhibits.** All Exhibits attached hereto are incorporated by reference into this Agreement and made a part hereof.
